

Title: Field Service Technician
Company: Total Power Limited
Location: Kamloops, BC
Job Type: Permanent, Full-Time
Post Date: October 5, 2022

We Offer

- 100% Employer Paid Medical and Dental Benefits
- Employer RRSP Matching Program
- Annual Health/Wellness Spending Accounts
- Professional Growth & Development

What You'll Do – The Role:

- Perform emergency service, preventative maintenance, repairs, troubleshooting, and instruction for customer generators as efficiently as possible.
- Test, measure, and verify electrical component operations, including energized components and electrical fields.
- Program, test, connect transfer switches and trouble shoot both generators and synchronizing controls system.
- Conduct startups and load bank tests as required.
- Operate / diagnose engine driven gensets powered by diesel or natural gas.
- Build strong customer relationships by engaging in positive, professional communications.
- Maintain all company tools and materials, including an accurate inventory of parts.
- Communicate with the Supervisor on all aspects of service.
- Complete required service and equipment performance reports as required.
- Other tasks and responsibilities as may be required.

What You Need

- Minimum 3 years' experience as a generator field service technician.
- College-level Power Generation Diploma, Certified Mechanic with electrical skills or Licensed Electrician with mechanical skills preferred.
- A valid BC driver's license in good standing.
- Working knowledge of D/C and A/C electrical systems.
- Mechanical, engine, and electrical trouble shooting skills.
- Superior customer service skills and track record.
- Comfortable using MS Office suite including Outlook suite.
- Strong time management skills and the ability to work efficiently with minimal supervision.
- In the case of a power outage or declared State of Emergency by any level of Government, be available for work.

Working Conditions

- After hours On-Call – Required
- Heavy lifting and physical exertion required
- Ability to work irregular hours
- Willing to work locally and throughout the Province of British Columbia
- Travel will be required. A valid passport and ability to enter the US for factory training may be required on occasion.
