

PRESS RELEASE- Fuel Remedy Joins Total Power

The Total Power group of companies is pleased to announce the acquisition of Fuel Remedy Inc. Fuel Remedy is an end-to-end diesel fuel maintenance solutions company providing diesel fuel polishing, diesel fuel testing, diesel fuel storage tank removal and installation, and complete fuel system inspection by TSSA-certified technicians. Fuel Remedy Inc. ensures that your diesel fuel system meets all TSSA, CSA and Ontario Fire Code safety standards. For years residential, commercial, industrial, and public facilities have relied on Fuel Remedy Inc to ensure that their generating system is free of diesel fuel contaminants and ready to run at peak performance when needed most.

Graham Clark, President of Total Power says "the acquisition of Fuel Remedy allows our service group to offer our customers complete fuel system support and service, it's a great fit."

With the purchase of Fuel Remedy Inc., the Total Power service group has one of the largest and most comprehensive offerings in the industry which includes: generator system maintenance & repairs, 24x7 emergency service, load bank testing, fuel testing and polishing, fuel delivery, fuel tank replacements, fuel tank upgrades and modifications for code compliance, generator and transfer switch rentals, design and application services, generator room cleaning, customer training, CSA282 life safety seminars, and turnkey replacement solutions/services.
